

Florida Department of Transportation Title VI Compliant Procedure

FTA Circular 4702.1B, Chapter III, Paragraph 6: All recipients shall develop procedures for Investigating and tracking Title VI complaints filed against them and make their procedures for filing Complaint available to member of the public.

Any person who believes he or she has been discriminated against on the basis of race, color, or national origin by the ARC of Martin County, may file a Title VI compliant by completing and submitting the agency's Title VI Compliant Form. Complaints can also be submitted by calling the title VI Liaison at 561-842-2313. The ARC of Martin County investigates complaints received no more than 180 days after the alleged incident. The ARC of Martin County will only process complaints that are complete. To be considered complete, complaints must, at a minimum, include their name, contact information, date of alleged incident, and a description of the incident.

Once the complaint is received, The ARC of Martin County will review it to determine if our office has jurisdiction. The complaint will receive an acknowledgement letter informing him/her whether the complaint will be investigated by our office.

The ARC of Martin County has ninety (90) days to investigate the complaint. If more information is needed to resolve the case, The ARC of Martin County may contact the complainant. The complainant has ten (10) business days from the date of the letter to send requested information to the investigator assigned to the case. If the investigator is not contacted by the complainant or does not receive the additional information within ten (10) business days, The ARC of Martin County can administratively close the case. A case can also be administratively closed if the complainant no longer wishes to pursue their case.

After the investigator reviews the complaint, she/he will issue one of two letters to the complainant: a closure letter or a letter of finding (LOF). A closure letter summarizes the allegations and stated that there was not a Title VI violation and that the case will be closed. A LOF summarizes the allegations and the interviews regarding the alleged incident, and explains whether any disciplinary action, additional training of the staff member or other action will occur. If the complainant wishes to appeal the decision, she/he has seven (7) days to do so from the time he/she receives the closure letter of the LOF.

The complaint procedures and forms will be made available to the public at The ARC of Martin County. The forms are also available in other formats upon request.
